

I give permission to my dependent to participate in the airsoft event called TSTOS 2022 organized by Ehasa ry in Juupajoki Finland on August 3-6, 2022. Together with my dependents, I have read the event's website at <https://tstos22.ehasa.org>

In ensure that the dependent has a valid leisure accident insurance that covers any damage that may occur during the event.

I am aware that the Ehasa Association obliges underage participants to attend the event as a part of a group which has more than half of the players adults.
